# SERIES 1

## VAN-PACK JETTER

**BUDGET-FRIENDLY.  
SPACE-SAVING.  
PERFORMANCE-DRIVEN.**

The Andy Guest Jetters Series 1 brings dependable performance in a compact, cost-effective van-mounted package. Powered by a robust 20 hp Honda engine and delivering 2200psi at 10gpm, it's engineered for smooth, everyday operation. Perfect for new users and expanding fleets alike, the redesigned Series 1 combines proven reliability in a space-saving design. The ideal way to begin your jetting journey.

*"It's ideal for unblocking 4" drains and has nearly the same capability as larger machines but is much more economical."*

**METRO ROD (CHESTER)**

 **2200psi @ 10GPM**

- Honda GX630 V-Twin 20 hp petrol engine
- Lightweight and compact footprint
- Lower fuel costs and emissions
- 5-Channel Radio Remote as standard
- Ideal for urban and residential work
- Fits most commercial vans with space to spare

### QUIET POWER

The Series 1 is powered by a Honda GX630 V-Twin engine, engineered to ensure reliable cold starts, low vibration, and quiet running, making it suited to everyday operations.

### COMPACT DESIGN

With a dry weight of only 280kg, the unit fits easily into smaller commercial vehicles. Its durable, space-saving design leaves more room in the van for tools and equipment.

### URBAN-FRIENDLY

Compliant with low-emission zones, the petrol engine meets strict standards, while delivering strong performance, ideal for operators working in urban areas.

### FLEXIBLE FINANCE

A range of finance options are available to help spread the cost of the jetter, the vehicle, interior conversions and additional equipment.

### REQUEST A QUOTE
