

DIESEL JETTER 5-SERIES

The 5-Series diesel van-pack is fully-featured, emissions-compliant solution for contractors tackling the toughest drainage tasks on a daily basis. Replacing the popular 4-Series, it is the most powerful jetter in our range.

- ▶ 3000PSI @ 16GPM
- ▶ Tripex Plunger Pump
- ▶ Yanmar 4-Cylinder Diesel Engine
- ▶ Hydraulic Drive HP Reel

All figures are subject to VAT and are based on a 60-month duration. The finance figures supplied do not constitute a formal offer. They are merely an indication - the customer will be introduced to a finance provider who can supply accurate finance pricing based on the customer's circumstances. All prices are correct at the time of publication but may change in line with base vehicle pricing and are subject to market conditions and financial status. *Weekly and monthly equivalent.
