# LOW-RATE MACHINE + VEHICLE FINANCE

We work with the UK's leading vehicle and asset finance specialists to offer competitive and flexible drain jetter finance on our range of emissions-compliant van-pack jetters. Finance can be arranged to include vehicle conversions and a wide range of ancillary equipment such as CCTV inspection kits.

- ▶ Hire purchase or lease purchase
- ▶ Best rates guaranteed
- ▶ Single monthly payment upfront
- ▶ Stage V jetting equipment

## VEHICLE + EQUIPMENT FINANCE

Finance packages spread the cost of essential equipment and can be arranged for standalone jetting equipment, the base van, vehicle customisations and a wide range of drainage tools and accessories:

- ▶ **VEHICLES:** Access to a wide range of commercial vehicles, including the latest models from marques such as Ford, Peugeot, Mercedes and Vauxhall
- ▶ **VEHICLE CONVERSIONS:** Customisations include lining and flooring, inverters, lighting, storage, waterproofing, welfare equipment and exterior signage
- ▶ **ANCILLARY EQUIPMENT:** Finance packages can include a range of ancillary equipment such as cable machines, CCTV inspection cameras and drain tools

All figures are subject to VAT and are based over a 60 month duration. The finance figures supplied do not constitute a formal offer. They are merely an indication, the customer will be introduced to a finance provider who will be able to supply accurate finance pricing based on the customers circumstances. All prices are correct at time of publication but may change in line with base vehicle pricing and are subject to market conditions and financial status. \*Weekly and monthly equivalent.
