MULTIJET DIESEL TRAILER JETTER

The MultiJet utilises our latest jetting technology to offer powerful cleaning performance, superior road handling and quiet operation via a water-cooled diesel or petrol engine. The powerful MultiJet is the quietest trailer jetter in its class thanks to the water cooled engine, exhaust system and enclosed body.

- Compact dimensions
- Robust and durable
- Designed for intensive use
- 180° pivoting hose reel
- Very stable road holding
- Low noise level
